Project meeting in Galway

The fifth meeting of the EduSexAge project was held on the 5th of September in Galway, Ireland, hosted by the University of Galway. The PR2 – “EDUSEXAGE learning course to empower seniors” will soon be ready to be uploaded on the platform and the initial version of PR3 – “EDUSEXAGE training for educators, other professionals and informal caregivers” is already accessible on the website and platform. PR4, the project platform, will be ready soon too and it will be an interactive space with PR2 and PR3 contents and activities available.

HERE'S WHAT WE HAVE BEEN UP TO

PR2 “EDUSEXAGE learning course to empower seniors” is almost ready!

Project partners are finalizing the PR2, which will be uploaded in all partners' languages on the website and on the project platform. As the project draws to its closing, the last steps will be the testing of both PR courses among seniors, educators, other professionals and informal caregivers. The project will then be focused on the dissemination phase, with multiplier events in France, Ireland, Spain, Germany, Slovenia and Italy and with the exploitation of the PR4, the project interactive platform!
